## EXPERIENCE

### UI/UX DESIGNER

SKROLLED, New Delhi

( August 2023 - November 2023 )

- Understand the user needs and business requirements.
- Created wireframes and prototypes to visualize the layout and interactions.
- Used Figma to design high-fidelity mockups with attention to detail.
- Ensured consistency in design elements across different devices.
- Tested the prototypes with users to gather feedback and make improvements.

### UI/UX DESIGNER

WASFA, New Delhi

( Freelancing December 2023 - January 2024 )

- Developed wireframes and prototypes to visualize the layout and functionality.
- Used responsive design principles to ensure the website works well on both computer and mobile devices.
- Focused on visual hierarchy and usability to make it easy for users to navigate the website.
- Used Figma to design high-fidelity mockups with attention to detail.
- Tested the website on different devices and screen sizes to ensure compatibility.
- Continuously gather feedback from users and make improvements based on their input.
